Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI RAM KRIPAL YADAV)

- (a) & (b) : A statement indicating number of house constructed under PMAY-G State/UT-wise is given at Annexure-I.
- (c) : PMAY-G is being implemented in the rural areas of the country except Delhi and Chandigarh since 1st April, 2016.
- (d) & (e) : As per para 8.1(b) of the Framework for Implementation of PMAY-G, support of 90 person days in plain areas and 95 person days in hilly states, difficult areas and IAP districts unskilled wage employment at the current rate to a PMAY-G beneficiary is mandatory for construction of house in convergence with MGNREGA. Server to server integration between two MIS- AwaasSoft of PMAY-G and NREGASoft of MGNREGS has been developed so that work for construction of house is generated on NREGASoft automatically once the sanction of house is issued on AwaasSoft.
